## COVID-19 & Mountain Laurel Cluster

This year we have been apart of a side of history most of us never thought we would see. A time of hardship and sorrow for many. Our prayers go out to the families that have been directly impacted by Covid-19 and the first line workers that have put their lives at risk to help their fellow Americans in need.

Americans are strong, we don't sit back and let a virus say we can't live our lives, but we have to live our lives in a manner that will help stop the spread and not increase it. Our cluster and the partner clubs did not come to the decision to have these shows lightly. At the end we felt it was our duty to do everything in our power to have these shows for you, the fancy. To give the fancy hope that there is light at the end of the tunnel. That dogs shows are not going away. That for many of us our life devotion isn't just going to disappear. We stood for you in our fight to have these shows. And while it is looking good we are not out of the woods yet. We are waiting on state approval. We have developed over time a way to approach these shows that would make the county, state and federal government say yes you can have them. Yes, we made sacrifices and compromises but at the end of the day we feel strongly we will have these shows based on the rules and policies we have set forth.

The shows will be closed to the general public. Masks will be required in all buildings, adherence to social distancing whenever possible, no dryers in buildings, no inside grooming space, hand sanitizer stations at every entrance and exit and some possible surprises to say thank you for coming. You will all be need to get an ACCESS PASS to enter the shows each day and throughout the day. We are working this system out and details will be posted to our Facebook page and provided in the Judging Program. We look forward to seeing you all in Bloomsburg at the end of July! STAYSAFE and lets have a fun but careful and safe cluster!

**Best Owner-Handled in Show Competition - All four days  
National Owner-Handled Series**

The AKC Owner/Handled Series is a non-titling competition for dogs that are exhibited by their owners who are not professional handlers. This series of special competitions will be offered at dog shows across the country.

All dogs that are owner/handled and are not owned or exhibited by professional handlers' meet the requirements for this competition. Exhibitors must declare their dog is Owner/Handler eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book and the catalog. **Dogs must be handled throughout the competition by an eligible owner. Professional handlers may not exhibit the dog in this competition.**

The Owner Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled Group.
- If the Best of Breed/Variety winner is Owner-Handled competition ineligible and the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible undefeated exhibits of the owner sex to determine Owner-Handled Best of Breed/Variety.
- If the Best of Breed and Best of Opposite Sex to Best of Breed/Variety are both ineligible and Select Dog and Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all dogs of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are ineligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners Competition.

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.*

## COVID-19 RULES MOUNTAIN LAUREL CLUSTER

1. The shows will be closed to the general public. Anyone attending the shows must either be an owner, exhibitor, handler, handler assistant, judge, club members, any hired professionals (photo, video, superintendents, stewards, etc.). Any family members or friends attending the show must enter with an owner or handler of the dog (first time entering) and get an access pass. General public will not be allowed on the grounds (to the best we can control) and if found in a building will be politely and professionally escorted off the premises.
2. Masks will be required in all buildings and vendor booths at all times. Masks (surgical style) will be provided to all people working the shows. Exhibitors, owners, breeders, handlers, assistants and approved guests will be required to provide their own masks.
3. Obedience & Rally Events are canceled for the cluster this year
4. The rings will be spread out between the 3 connected buildings instead and will have an entrance and exit. Every ring will have connected Ready Rings and ringside crating area. Crates are only allowed in crating area 15 mins before and after breed judging. The rings will also be marked every six (6) feet so when lining up everyone can still adhere to social distancing. This means classes, breed etc. may be divided to allow for adherence with Social Distancing.
5. No general grooming areas in the building or on the grounds. THIS SHOW IS A VEHICLE SIDE GROOMING SHOW this year. Absolutely no hair dryers or forced air dryers will be allowed in the buildings at any time. This will allow for better adherence to social distancing.
6. RINGS 1-9 will be inside as described above. If the entry calls for more than 9 rings, we will add additional Rings OUTSIDE. If we have OUTDOOR rings you still have to wear a mask under any tent and in any ring, NO Exceptions! We have additional judges on conditional contracts in case we need them. Additional Judges will be hired on an overdraw basis after we use the judges currently on the panel.
7. Site Control will be at the show. Please follow all of Site Controls directions etc. Penny is still doing RV & Prime Parking.
8. PLEASE BRING WHAT YOU NEED TO KEEP YOUR DOGS COOL! We understand that it could be extremely hot this time of year and with no indoor grooming and no dogs left in building overnight we will all have to work together to make sure everyone's dogs safe. Bring pop up tents, shade coverings (they make them big enough to cover a car, van etc.), generator, portable AC etc. We will do what we can to provide electric beyond RV and Prime parking, but we cannot guarantee electric, so if you are coming without a motorhome or travel trailer etc. and know you will need electric please consider getting Prime parking for the week.
9. We will have signs through out the buildings and fairgrounds to help with reminding people of the rules, safety measures and to work together. Please observe all signs especially one pertaining to entrance and exit doors on the building.
10. Every entrance, in or out, of the Buildings will have hand sanitizer stations with signage. Judges will have hand sanitizer and will sanitize their hands after judging every dog.
11. Special attractions like puppy groups, bred-by groups and veteran groups have been canceled.
12. Any special attractions that we normally have like the free BBQ dinner and ice cream social will be adapted and changed to make them safer. BBQ Box Dinner and prepackaged ice cream treats are an example of a possibility.
13. Entries do not Open until June 24 @ 8:00am with a closing date of July 8. We plan on making a tentative go/no go announcement on June 23 with a final decision in July 1. Watch Rau's website and our Facebook Page.
14. Food Service may be different please be patient we're figuring everything out.
15. We are still working out other processes and procedures like Arm Band numbers, getting your access pass and many others. We will post final list and send it out with the judging programs.

All of us with the Mountain Laurel Cluster would like to thank you in advance for entering and coming to our cluster in the midst of Covid-19. If we all work together, follow all safety protocols and are respectful towards each other we can have a successful, fun and safe dog show! Let's show the fancy that we can have dogs shows safely!

The final location of the rings, indoors or outdoors, for each breed will be determined on the event, if not done so in the judging program.
