SCHEDULE OF POINTS FOR DIVISION 2— EFFECTIVE MAY 16, 2023

Division 3 is comprised of: District of Columbia, Maryland, North Carolina, Virginia, West Virginia.

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of **both** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of **its own sex** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AMERICAN KENNEL CLUB

Official Standard for the Pointer

General Appearance: The Pointer is bred primarily for sport afield; he should unmistakably look and act the part. The ideal specimen gives the immediate impression of compact power and agile grace; the head noble, proudly carried; the expression intelligent and alert; the muscular body bespeaking both staying power and dash. Here is an animal whose every movement shows him to be a wide-awake, hard-driving hunting dog possessing stamina, courage, and the desire to go. And in his expression are the loyalty and devotion of a true friend of man.

Temperament: The Pointer's even temperament and alert good sense make him a congenial companion both in the field and in the home. He should be dignified and should never show timidity toward man or dog.

Head: The **skull** of medium width, approximately as wide as the length of the muzzle, resulting in an impression of length rather than width. Slight furrow between the eyes, cheeks cleanly chiseled. There should be a pronounced stop. From this point forward the muzzle is of good length, with the nasal bone so formed that the nose is slightly higher at the tip than the muzzle at the stop. Parallel planes of the skull and muzzle are equally acceptable. The **muzzle** should be deep without pendulous flews. Jaws ending square and level, should **bite** evenly or as scissors. Nostrils well developed and wide open. **Ears**-Set on at eye level. When hanging naturally, they should reach just below the lower jaw, close to the head, with little or no folding. They should be somewhat pointed at the tip-never round-and soft and thin in leather. **Eyes**-Of ample size, rounded and intense. The eye color should be dark in contrast with the color of the markings, the darker the better.

Neck: Long, dry, muscular, and slightly arched, springing cleanly from the shoulders.

Shoulders: Long, thin, and sloping. The top of blades close together.

Front: Elbows well let down, directly under the withers and truly parallel so as to work just clear of the body. Forelegs straight and with oval bone. Knee joint never to knuckle over. Pasterns of moderate length, perceptibly finer in bone than the leg, and slightly slanting. Chest, deep rather than wide, must not hinder free action of forelegs. The breastbone bold, without being unduly prominent. The ribs well sprung, descending as low as the elbow-point.

Back: Strong and solid with only a slight rise from croup to top of shoulders. Loin of moderate length, powerful and slightly arched. Croup falling only slightly to base of tail. Tuck-up should be apparent, but not exaggerated.

Tail: Heavier at the root, tapering to a fine point. Length no greater than to hock. A tail longer than this or docked must be penalized. Carried without curl, and not more than 20 degrees above the line of the back; never carried between the legs.

Hindquarters: Muscular and powerful with great propelling leverage. Thighs long and well developed. Stiffles well bent. The hocks clean; the legs straight as viewed from behind. Decided angulation is the mark of power and endurance.

Feet: Oval, with long, closely-set, arched toes, well-padded, and deep. Catfoot is a fault. Dewclaws on the forelegs may be removed.

Coat: Short, dense, smooth with a sheen.

Color: Liver, lemon, black, orange; either in combination with white or solid-colored. A good Pointer cannot be a bad color. In the darker colors, the nose should be black or brown; in the lighter shades it may be lighter or flesh-colored.

Gait: Smooth, frictionless, with a powerful hindquarters' drive. The head should be carried high, the nostrils wide, the tail moving from side to side rhythmically with the pace, giving the impression of a well-balanced, strongly-built hunting dog capable of top speed combined with great stamina. Hackney gait must be faulted.

Balance and Size: Balance and over-all symmetry are more important in the Pointer than size. A smooth, balanced dog is to be more desired than a dog with strongly contrasting good points and faults. Hound or terrier characteristics are most undesirable. Because a sporting dog must have both endurance and power, great variations in size are undesirable, the desirable height and weight being within the following limits:

Dogs: Height – 25 to 28 inches
 Weight – 55 to 75 pounds

Bitches: Height – 23 to 26 inches
 Weight – 44 to 65 pounds

Approved November 11, 1975

Mr. Wayne Cavanaugh Conformation

Wayne Cavanaugh is a third-generation dog fancier. His grandfather, John Cavanaugh, bred Kerry Blue Terriers; his father, Raymond Cavanaugh, bred English Setters and Beagles. Wayne and his wife Cheryl bred and exhibited Pointers, English Setters, and Beagles. Their Pointers have won major awards at six AKC American Pointer Club Nationals, all owner-handled, the first of which was Best of Winners in 1974 and Best of Breed in 1980. "Myles", Ch. Rossenarra Amontillado, was the second orange and white in history to win the AKC Pointer National and, while only used six times as a sire, was an APC Top Sire and sire of four Best in Show Winners. The Cavanaugh's "Derby," Ch. Rossenarra Impudence, was Top Producing Dam of the Year for all sporting breeds and the dam of Ch. Onsage Devil his Due who was also a top producer and the sire of Ch. Onsage Tiznow Bravura, a top winner in Canada and BOW at the APC National.

Wayne has judged Gundogs, Hounds, and Terriers in the USA, Canada, Ireland, Japan, and Mexico. National Specialty assignments include the AKC Irish Setter National, the AKC English Setter National, the CKC Irish Setter National, Pointer and Setter Specialties at the Irish Kennel Club Saint Patrick's Show, and the Irish Gundog Field and Show Society.

Wayne served as Vice President of the American Kennel Club from 1991 to 1997, and President of the United Kennel Club from 1999 to 2014. He was a Charter Board Member of the AKC Canine Health Foundation.

For more than 20 years, he appeared on behalf of purebred dogs as a television commentator in the USA on every major network and in England for the BBC at Crufts, the world's largest dog show. He is the author of *The Inheritance of Coat Color in Pointers* and *Assessing the Show Pointer*, currently writes a monthly column for *Canine Chronicle*, and hosts the "The Dog Show Drive" weekly podcast with Will Alexander.

In 2010, Mr. Cavanaugh was named by *Dog Fancy Magazine* to the list of Top 40 Most Influential People in Dogs, along with Betty White, Cesar Milan, and Doris Day. He and his wife Cheryl live in Michigan. Their son, Brody Myles Cavanaugh, represents the fourth generation of Cavanaugh's as a pointer exhibitor and was a co-owner of the 2015 Westminster Best in Show winner, the Beagle "Miss P", Ch. Tashtins Lookin for Trouble for the majority of her career.

Cheryl LaDuc Buchanan Conformation

My first serious pointer arrived in 1996 with the purchase of Ch. Paladen Gold Metal, call name Cookie, hence started Cookieland Pointers. I have been fortunate and lucky to have bred some very nice, award winning and record holding pointers over the years. But life and job do get in the way and although I still have pointers and one field spaniel, I am not seen in the ring or at hunt tests as often as years past, because my job as a Principal in an architectural firm in Albany NY keeps me busy. When not working, my husband Rick and I can be found at our camp in the Adirondacks. In the fall you can find us hunting our dogs in the northeast US. I am also the sitting president of Pointer Associates of New England (PANE).

Tammy Albee Sweepstakes

Tammy Albee has shown and bred pointers under the Corwyn prefix for over 25 years. Corwyn pointers have been titled in conformation, field, obedience, rally, and agility and have produced a number of specialty winners, including Winners Bitch at the 2004 National Specialty. Nearly all of these were owner-handled. Corwyn also produced several APC Versatility Dogs. She has judged a number of specialty sweepstakes over the past decade, and is an APC lifetime member, past president of GDVPC, and a founding member of PointerRescue.Org.

Angela Lloyd Junior Showmanship

Miss Angela Lloyd is a second-generation dog fancier. She started showing at the age of 8 in breed classes with her father's German Shepherd Dogs and her Pembroke Welsh Corgis. As soon as she was eligible, she participated in junior showmanship. Her dedication to showing dogs was seen in many wins and in her crowning Junior achievements of Best Junior Handler at Westminster Kennel Club in 1998 and Best International Junior Handler at the CRUFTS dog show in England in 1998. Miss Lloyd was an apprentice to professional handlers Robert and Jane Fowler for 10 years where she became passionate about Dachshunds and has bred Miniature Wirehaired Dachshunds under the ALEGNA prefix for the past 25 years. After attending Penn State University earning a BS in Business Finance, Miss Lloyd has gone on to have a successful career as an all-breed professional handler.

FUTURITY

Judge: Cheryl Buchanon

The 2024 Futurity Slake is for properly nominated, enrolled, and entered Pointers that were whelped between the dates beginning September 2, 2022, and ending September 1, 2023. The year of the Futurity Stake will be indicated on the Nomination and Enrollment Forms furnished by the Futurity Chairperson, all of which are to be submitted (postmarked) along with the appropriate fees (made payable to the American Pointer Club) to the Futurity Chairperson on or before the dates specified. No refunds will be given.

Detailed nomination enrollment and entry instructions are provided on the APC website or may be obtained by contacting the Futurity Chairperson, Lee Ann Stagg, at ppoint97@aol.com or 337-298-4289.

Nominations: To be eligible to nominate a bitch and her litter for the Futurity Stake, at least one of the Breeders of Record of the litter must have been a member of the APC for the 6 consecutive months immediately preceding the nomination if there are additional Breeders of Record for the litter, and they were not APC Members, the bitch and her litter may still be nominated, but higher fees will be charged. Enrollments: To remain eligible for the Futurity Stake, puppies from nominated litters must be individually enrolled 3 times by the dates specified. Late First and Second Enrollments of individual puppies will be accepted, but higher fees will be charged. No late Final Enrollments will be accepted.

Entries: Entrants in the Futurity Stake must also be entered in one of the regular or non-regular conformation classes, or in an obedience class, at the National Specialty. The same official entry form must be used, stating both 'Futurity' and the appropriate class division (i.e., 'Futurity, Senior') in the space designated for Additional Classes. Champions of record are eligible to compete. There are no restrictions requiring that the handler must be an owner or breeder: professional handlers may exhibit entrant. Exhibitors DO NOT have to enter the ALL Breed to participate.

The class divisions for dogs and for bitches are determined by age as of March 1, 2024:

Puppy 6-9 month) - Birthdates 6/2/23 to 9/1/23
Junior 9-12 month) - Birthdates 3/2/23 to 6/1/23
Intermediate 12-15months) - Birthdates 12/2/22 -3/1/23
Senior 15-18 months) - Birthdates 9/2/22 to 12/1/22

The eight class winners compete for Best in Futurity and Best of Opposite Sex to Best in Futurity.

All monies from nominations, enrollments, and entry fees (less 25% withheld for APC expenses) will be divided as follows: Best in Futurity 20%

Breeder(s) of Best in Futurity 10%

Best of Opposite sex to Best in Futurity 10%

Allocated to the classes 60%

The prize money awarded for each class is determined by dividing the allocated money by the total number of Futurity entries, then multiplying that amount by the number of entries in the class.

<u>Entries</u>	<u>First</u>	<u>Second</u>	<u>Third</u>	<u>Fourth</u>
One	100%			
Two	60%	40%		
Three	50%	30%	20%	
Four	40%	30%	20%	10%

Any Futurity money that was allocated for 1st through 4th place prizes in the classes, but could not be awarded due to absentees, will be retained by the APC.
