~ ANNUAL BANQUET TROPHIES ~

These trophies are awarded every year at the banquet. Unless otherwise noted, they remain in the possession of the winner until the next National Specialty.

~ BEST OF BREED ~

THE FATH MEDALLION

A casting of the original medallion of the head of Intl. Ch. Estat d'Argeles done by the famed French sculptor Fath. These medallions were given to the club by Mary Crane in 1979. One is given for permanent possession to the Best of Breed Dog at the Specialty. When the first one was presented at the 1979 Specialty, Mary Crane said this about them:

"For me, it is a very nostalgic note to tell you that these medals have been won before - by Basquaerie Champions of the early years. So, let your imagination run as wild as you wish, as to who first earned the honor of owning one and walking proudly out of the ring with same.

They are now doubly significant and to be treasured by those so fortunate as to win them, both now and in years to come. With one as reference you will always have at hand, a replica of the correct Great Pyrenees head and expression. May you take pride in them and treasure them as I have done."

THE BERGERIE KNUR TROPHY

A copy of a full body bronze casting of Bergerie Knur, the only Pyrenean to go Best in Show at Crufts, the world's largest dog show. It was donated to the GPCA in 1971 by Mr. & Mrs. Fredrick Prince of Bergerie Kennels in England.

Norman Grenier Regional Sweepstakes

Although Labrador Retrievers have always been my passion, I have been involved with the Great Pyrenees breed since I was a young teen in 4-H. My leader was a Great Pyrenees breeder who introduced me to this wonderful breed. She took me to all-breed shows with her to help with the dogs. At that time you had to show several dogs as they were not as popular then and needed your own dogs to gain points.

I went on to become a professional handler involved with the AKC Registered Handler Association and the PHA, which I still am a Board member. My first group win was with a Great Pyr way back before the working group was divided. I have shown for many breeders as well as just Great Pyrenees enthusiasts, gaining not only Championships, but many Group wins as well. As I continue to selectively go to shows now I spend more time at home as we have a busy boarding kennel. We board many Pyrenees and at this point I believe I know how the breed thinks.

I would like to thank the Garden State Pyrenees Club for giving me this honour to judge Sweepstakes at their Regional Specialty.

Tammy Martin Regional Conformation

For the past three decades I have owned, exhibited and bred Pyrenean Mountain Dogs, operating under the Euzkadi prefix. My passion for this breed has led me around the world, and has afforded me the wonderful opportunity to meet many like-minded people. It has also enabled me to combine some of the finest bloodlines from America, Canada and Europe, to produce Australia's top-winning dogs. Over the years, I have successfully bred four Supreme Champions, all distinguished as All-Breeds & Specialty Best in Show winners. Notably, one of my champions holds the Australian breed record with an impressive 37 All-Breeds Best in Show awards and over 150 Group 1st awards. I am also owner/breeder/handler of Australia's only FCI International Champion (CIB) Pyrenean Mountain Dog to date.

In addition to this, I am licenced by the Australian National Kennel Council (ANKC) to judge 40 breeds as well as the Utility Group Specials. Over the last decade, I have had the privilege of adjudicating across Australia and New Zealand, and I feel honoured to judge our wonderful breed at the up-coming Regional Specialty.

Linda Whisenhunt National Puppy Sweepstakes

I have been showing & breeding Great Pyrenees for close to 40 years under the kennel name of Arnault Great Pyrenees. I have been very active in All-Breed & Specialty dog clubs putting on several dog shows for exhibitors. I am proud to be an Owner/Handler of my own dogs. I dearly love my dogs & my hobby of showing them with much success. My passion is also education on the breed & it is so gratifying to work with newcomers. I currently work as a Registered Nurse & enjoy my profession. My children are all adults now.

Casey Pawl National Veteran Sweepstakes

I am so excited to judge veteran sweepstakes for the Great Pyrenees National Specialty. This breed is so special and to see the veterans having fun and showing off, makes my heart swell and my eyes leak. This is where I started my adventure with dogs. It was the 1993 National Specialty in Allentown, PA. My family went with our older dog Magic and I got to show her in veteran sweeps at about 5 yrs of age. At the time, I had no idea what was going on other than I got to show my dog and I thought she was amazing (what 5 yr old doesn't?). My mom still has the video of that day. It was the best day, even with coming in 2nd out of 2. That trip in the ring started a lifelong passion. Great Pyrenees, as a breed, have taught me many things throughout my life, but I think the most important lesson was to appreciate your veterans/elders, no matter the breed or the species. They have so much to teach us, and all we need to do is listen.

My family raised Great Pyrenees when I was kid and it was the best way to grow up. I learned persistence, perseverance, and grit from learning to train them and show them. Magic was the first dog I met and showed, but Dream (Ch Andorre Dream Time Rose CD) taught me grit and to be aware. If you gave her an inch, she would take a mile and make you look very silly. Then there was Red (Magic Moment's to the Pointe), who did not enjoy the ring, but she would do anything I asked of her. She was one special girl, even taking me to two Best Junior Handlers at the GPCA National Specialty (2003 and 2005). She taught me how to listen to an animal and you could hear their story. Between her, and one of my corgis, Annie, they continued to push me through college and on to veterinary school. I am now a small animal veterinarian after graduating from Iowa State University College of Veterinary Medicine in 2013. Since veterinary school, I haven't been as active with a Great Pyrenees as I would prefer, but my daughter and I are working that way. She's currently torn between a Great Pyrenees and a Poodle (please convince her of a Great Pyrenees!).

Claudette DuPont National Junior Showmanship

Claudette DuPont has been involved with Great Pyrenees since 1993 when her mother Virginia DuPont purchased a female show quality Pyrenees from Rhonda Dalton of Pyragon Great Pyrenees. Claudette attended handling classes and participated in fun matches before she was eligible to compete as a 10-year-old in 1995. She showed her next Pyrenees Atlas in Junior showmanship and confirmation until his early passing. Together they won multiple Best Junior Handlers at the GPCA national and qualified for Westminster Kennel Club. She went on to work for multiple dog handlers and placed 4th at Westminster Kennel Club in Junior Showmanship in 2003. Since aging out of Junior showmanship, Claudette has piloted multiple Great Pyrenees to the Best Veteran, Best in Sweepstakes, Award of Merit, Selects, Best of Opposites and 2021 Best of Breed at the National and equal success at regional specialties. She has piloted three different dogs to best in Futurity. She has won over 21 group placements (including 7 group 1s) on Great Pyrenees, including contributing to three HOF tiles and 6 top 20 Great Pyrenees. She has also finished or contributed to finishing over 20 Champions. Claudette graduated with her Mechanical Engineering Degree from UMBC and now works as the manager of Project Services for an Allergy Immunotherapy company in NC. She also enjoys competing in APA pool league and 5ks. She looks forward to pursuing Rally and Obedience titles.

Sandra Gibson National Conformation

Firstly I would like to thank the membership of the GPCA for giving me the opportunity to judge our beautiful breed in the United States, and to thank all exhibitors entered, for the privilege to assess your dogs. It is indeed a honour I will cherish, and have been looking forward to it for a considerable time.

My involvement with Pyrenees spans a life time, commencing in the 1960's when I was only a year old and my parents bought their first dog from the famous Bergerie Kennels. We have been privileged to share our lives with them continuously from that moment forward.

Throughout the decades we have imported the breed from France, Sweden and the USA to enhance and develop our lines. Which has been and continues to be a huge success.

In the UK, we have amassed over 160 Challenge Certificates; held the #1 Pyrenees and Top Stud Dog in numerous years; won multiple Best in Shows and our kennel has won Best of Breed at Crufts on no less than 7 occasions.

One of our most enjoyable and recent achievements was winning 'Best Expression' with our homebred bitch at the 2023 100th Anniversary World Show in Argeles, held in conjunction with the French RACP Nationalis an accolade I will never forget.

I have judged in the UK on numerous occasions and currently award Champion status across 2 groups. Later this year i will judge the PMDC of Great Britain's Championship Show and am delighted to have been appointed to judge the breed at Crufts in 2027.

Terry Denney-Combs National Futurity

Started in Pyrs in 1971 and have been doing limited breeding and exhibiting since that time. Using Euzkalzale as my kennel name starting in the 1980s and striving always to produce healthy, well balanced dogs in form and mind. Fortunate to have had many top winning dogs and Hall of Fame producers in dogs and bitches.

Most proud of achieving my AKC Platinum Breeder of Merit; took a village to accomplish it and many friends have remained thru my years in Pyrs. I count my self lucky to have so many true friends over the years. And to have mentored many fine breeders.

It's always an honor for me to be asked to judge at the National. I am looking forward to looking at many fine dogs as always.

Nancy Withers Regional & National Obedience & Rally

It's hard to believe how much an ad in the "Pets for Sale" section of our local newspaper in February, 1978 has changed my life! From that ad I bought my first Shetland Sheepdog who along with three other of my Shelties earned their American and Canadian Utility degrees.

For some time I only owned Shelties, but now I can proudly say I also have owned two Pembroke Welsh Corgis to pair with a Sheltie. A good combination of breeds for both the dogs and their owner! Prior to becoming a judge I put obedience titles on a Pug, Kuvasz, Border Terrier, Golden Retriever and a Corgi. Several other of my own dogs have also earned CD's Rally titles, herding titles and a tracking title. My current Corgi, Ozzie, just completed his AKC Herding Championship, expertly trained and handled by my good friend Amanda Nickle. I judged my first AKC obedience trial in 1992, and am approved for all obedience and Rally classes, with a judging schedule that keeps me quite busy. I have been an active member of the Berks County (Pennsylvania) Dog Training club since 1978, and have served in most every office and club position. Have been a member of Interstate Shetland Sheepdog Club since 1978, and ASSA since 1984, as well as a member of the Del Bay Herding Club.

I've also been very active in both organizing and behind the scenes work in various tournaments and regional obedience competitions. Enjoy the camaraderie of your friends, old and new these next few days, and best of luck to all exhibitors! Thank you for inviting me to judge.

Jim Rasmussen Draft Judge

I and my wife, Mary Jo, live in rural, central Virginia with our pack of ten Greater Swiss Mountain Dogs.

Our journey with Swissies began in 2002 when we acquired Burley. Prior to that, we'd always had Golden Retrievers. We had decided to get a second dog, but wanted a dog other than a retriever type dog. Mary Jo went online and took one of those "What is Your Ideal Dog" quizzes. Out of that popped the Greater Swiss Mountain Dog as the ideal dog for us. We'd never heard of the breed, much less seen one. A few days later, Animal Planet's Breed All About It, which we had been regularly watching in our search for another dog, aired a show on The Greater Swiss Mountain Dog. That karmic event really sealed the decision; a Swissy it would be. We got Burley. His mother and littermates were the first Swissies we had seen in the flesh.

Since much of the focus of the Animal Planet show was on drafting, I wanted to learn more about it. I discovered that there was going to be a Swissy draft test in a few weeks and they were looking for volunteers to work at stewards at the test. I volunteered to help out, though I explained that I knew nothing about drafting or what to do as a steward. The organizers, the people featured in the Animal Planet show, told me that they would explain everything I needed to know about being a steward. The draft test was a very positive experience for me. All of the people were very friendly and welcoming, and there were probably at least a dozen Swissies there.

The next couple of years were spent in obedience, agility, and rally training and showing. I worked with Moab the Golden Retriever and Mary Jo mostly worked with Burley, though I trained and showed Burley in agility and rally on a number of occasions. There was little available in the way of formal draft training, but the local Berner club occasionally held workshops where a bunch of people would get together with their dogs and train together, with the more experienced drafters helping those of us who were new to the sport. We both eagerly participated in these events and worked with Burley to hone our drafting skills.

The next major milestone was getting a second Swissy, a female we named Sophia. I trained Sophia in obedience, rally, agility and drafting. Mary Jo showed her in the conformation ring to her championship. Shortly thereafter, Mary Jo decided to breed her, thinking it would be fun. It turned out to be a baptism by fire with a litter of 14 puppies. Now, twelve years and more than 26 litters later we're still at it.

In the meantime, I became a GSMDCA draft test judge in 2012, and served as Chair of the Draft Committee from 2013 to 2019. In 2014, the Draft Committee completed a major revision of the GSMDCA Draft Rules. I continue to judge several tests a year (seven last year) sponsored by various clubs including the Leonberger and Bouvier clubs as well as the Swissy club. And this year, I have the honor of being invited to judge at the Great Pyrenees National Specialty Show Draft Test.

Mary Jo Rasmussen Draft Judge

Born and raised in the Upper Midwest, Mary Jo spent her career as an educator—and loved it! She taught 6th grade for ten years and then worked nationally and internationally for various non-profit organizations for 25 years. She’s been married to Jim for almost half a century and they raised two lovely children who live in California.

Mary Jo is retired and goofs around with Greater Swiss Mountain Dogs. Breeding, agility, drafting and conformation are her main focus but she’s dabbled in herding, obedience, rally, tracking and whatever else strikes her dogs’ fancy.

She’s had the pleasure of judging at least 20 different breeds in the draft ring over the past 15 years. She’s still waiting for a 100% pass rate at a draft trial, and surely hopes the Great Pyrenees National Specialty is it!

AMERICAN KENNEL CLUB

Official Standard of the Great Pyrenees

General Appearance: The Great Pyrenees dog conveys the distinct impression of elegance and unsurpassed beauty combined with great overall size and majesty. He has a white or principally white coat that may contain markings of badger, gray, or varying shades of tan. He possesses a keen intelligence and a kindly, while regal, expression. Exhibiting a unique elegance of bearing and movement, his soundness and coordination show unmistakably the purpose for which he has been bred, the strenuous work of guarding the flocks in all kinds of weather on the steep mountain slopes of the Pyrenees.

Size, Proportion, Substance: **Size** - The height at the withers ranges from 27 to 32 inches for dogs and from 25 to 29 inches for bitches. A 27 inch dog weighs about 100 pounds and a 25 inch bitch weighs about 85 pounds. Weight is in proportion to the overall size and structure. **Proportion** - The Great Pyrenees is a balanced dog with the height measured at the withers being somewhat less than the length of the body measured from the point of the shoulder to the rearmost projection of the upper thigh (buttocks). These proportions create a somewhat rectangular dog, slightly longer than it is tall. Front and rear angulation are balanced. **Substance** - The Great Pyrenees is a dog of medium substance whose coat deceives those who do not feel the bone and muscle. Commensurate with his size and impression of elegance there is sufficient bone and muscle to provide a balance with the frame. Faults - **Size** - Dogs and bitches under minimum size or over maximum size. **Substance** - Dogs too heavily boned or too lightly boned to be in balance with their frame.

Head: Correct head and expression are essential to the breed. The head is not heavy in proportion to the size of the dog. It is wedge shaped with a slightly rounded crown. **Expression** - The expression is elegant, intelligent and contemplative. **Eyes** - Medium sized, almond shaped, set slightly obliquely, rich dark brown. Eyelids are close fitting with black rims. **Ears** - Small to medium in size, V-shaped with rounded tips, set on at eye level, normally carried low, flat, and close to the head. There is a characteristic meeting of the hair of the upper and lower face which forms a line from the outer corner of the eye to the base of the ear. **Skull and Muzzle** - The muzzle is approximately equal in length to the back skull. The width and length of the skull are approximately equal. The muzzle blends smoothly with the skull. The cheeks are flat. There is sufficient fill under the eyes. A slight furrow exists between the eyes. There is no apparent stop. The boney eyebrow ridges are only slightly developed. Lips are tight fitting with the upper lip just covering the lower lip. There is a strong lower jaw. The nose and lips are black. **Teeth** - A scissor **bite** is preferred, but a level bite is acceptable. It is not unusual to see dropped (receding) lower central incisor teeth. Faults - Too heavy head (St. Bernard or Newfoundland-like). Too narrow or small skull. Foxy appearance. Presence of an apparent stop. Missing pigmentation on nose, eye rims, or lips. Eyelids round, triangular, loose or small. Overshot, undershot, wry mouth.

Neck, Topline, Body: **Neck** - Strongly muscled and of medium length, with minimal dewlap. **Topline** - The backline is level. **Body** - The chest is moderately broad. The rib cage is well sprung, oval in shape, and of sufficient depth to reach the elbows. Back and loin are broad and strongly coupled with some tuck-up. The croup is gently sloping with the tail set on just below the level of the back. **Tail** - The tailbones are of sufficient length to reach the hock. The tail is well plumed, carried low in repose and may be carried over the back, "making the wheel," when aroused. When present, a "shepherd's crook" at the end of the tail accentuates the plume. When gaitting, the tail may be carried either over the back or low. Both carriage are equally correct. Fault - Barrel ribs.

Forequarters: Shoulders - The shoulders are well laid back, well muscled, and lie close to the body. The upper arm meets the shoulder blade at approximately a right angle. The upper arm angles backward from the point of the shoulder to the elbow and is never perpendicular to the ground. The length of the shoulder blade and the upper arm is approximately equal. The height from the ground to the elbow appears approximately equal to the height from the elbow to the withers. Forelegs - The legs are of sufficient bone and muscle to provide a balance with the frame. The elbows are close to the body and point directly to the rear when standing and gaiting. The forelegs, when viewed from the side, are located directly under the withers and are straight and vertical to the ground. The elbows, when viewed from the front, are set in a straight line from the point of shoulder to the wrist. Front pasterns are strong and flexible. Each foreleg carries a single dewclaw. Front Feet - Rounded, close-cupped, well padded, toes well arched.

Hindquarters: The angulation of the hindquarters is similar in degree to that of the forequarters. Thighs - Strongly muscular upper thighs extend from the pelvis at right angles. The upper thigh is the same length as the lower thigh, creating moderate stifle joint angulation when viewed in profile. The rear pastern (metatarsus) is of medium length and perpendicular to the ground as the dog stands naturally. This produces a moderate degree of angulation in the hock joint, when viewed from the side. The hindquarters from the hip to the rear pastern are straight and parallel, as viewed from the rear. The rear legs are of sufficient bone and muscle to provide a balance with the frame. Double dewclaws are located on each rear leg. Rear Feet - The rear feet have a structural tendency to toe out slightly. This breed characteristic is not to be confused with cow-hocks. The rear feet, like the forefeet, are rounded, close-cupped, well padded with toes well arched. Fault - Absence of double dewclaws on each rear leg.

Coat: The weather resistant double coat consists of a long, flat, thick, outer coat of coarse hair, straight or slightly undulating, and lying over a dense, fine, woolly undercoat. The coat is more profuse about the neck and shoulders where it forms a ruff or mane which is more pronounced in males. Longer hair on the tail forms a plume. There is feathering along the back of the front legs and along the back of the thighs, giving a "pantaloons" effect. The hair on the face and ears is shorter and of finer texture. Correctness of coat is more important than abundance of coat. Faults - Curly coat. Stand-off coat (Samoyed type).

Color: White or white with markings of gray, badger, reddish brown, or varying shades of tan. Markings of varying size may appear on the ears, head (including a full face mask), tail, and as a few body spots. The undercoat may be white or shaded. All of the above described colorings and locations are characteristic of the breed and equally correct. Fault - Outer coat markings covering more than one third of the body.

Gait: The Great Pyrenees moves smoothly and elegantly, true and straight ahead, exhibiting both power and agility. The stride is well balanced with good reach and strong drive. The legs tend to move toward the center line as speed increases. Ease and efficiency of movement are more important than speed.

Temperament: Character and temperament are of utmost importance. In nature, the Great Pyrenees is confident, gentle, and affectionate. While territorial and protective of his flock or family when necessary, his general demeanor is one of quiet composure, both patient and tolerant. He is strong willed, independent and somewhat reserved, yet attentive, fearless and loyal to his charges both human and animal.

Although the Great Pyrenees may appear reserved in the show ring, any sign of excessive shyness, nervousness, or aggression to humans is unacceptable and must be considered an extremely serious fault.

PATRICIA A. RAMAPURAM
September 11, 1947 - December 25, 2022

In April 2014 my family and I met Patricia Ramapuram who gifted us two Great Pyr boys. This funny, outspoken, "old" lady's act of faith in "novices" changed the course of our journey with this breed we all love. Astaire, Am GCh/Can Ch Thorn Hill's White Tie Affair, was BOB at WKC in 2016, before turning 2, with my daughter, Lauren, handling. She was only 17 at the time of winning the coveted award. Later the same year, Jazz, GCh Patorama's Lay Down the Boogie, and Lauren won the AKC Junior Handling championship, becoming the first junior/Great Pyr pair to be named the champions.

One thinks they know so much about someone after talking with them for hours about their dogs, especially on those show trips heading home. Since Pat passed, though, I learned how many people she had faith in and touched. Before the Great Pyrenees there were PBGVs...before PBGVs there were horses...with the horses there were kids.

Pat was a mentor to several young ladies and their equines. Young ladies that she taught horsemanship and life responsibilities. I have learned weekend overnights at her house (with less than edible Saturday morning breakfasts) were normal occurrences. If the girls did not work, they did not show. Lessons learned with lots of love involved.

Things did not change when she started with her dogs. She was a part of so many people's lives because of the dogs she bred and raised. Even now, after her leaving, her dogs are doing so much good for so many people, not the least of which is Astaire and his work with veterans in the Boston, Massachusetts, area. Pat was SO proud of him.

Losing a friend on Christmas Day did not seem a "gift", but I have learned so much about Pat since her leaving, and have met so many wonderful people here and abroad. We now have a group that touches base almost daily...dogs, family, travels...all wrapped up by a connection to one little lady from Baltimore. I miss her so much...but the family she created through her expectations, humor, and trust is the gift that keeps on giving.

Thank you, Pat, for everything...forever grateful...Denise Hull

GCHS Rivergroves Isn't She Lovely (Emma)

Emma was named after a beautiful Stevie Wonder song which is a great fit for this lovely lady. Emma is very business-like in everything she does. A lady on a mission who continues to amaze us every day. To date, Emma's wins include Top 20 Winner for the 2020/2021 Nationals Puppy Invitational, Best of Opposite 2020 National, Select Bitch 2021 National, Multiple Group Winner, Multiple Group Placements, #4 All Breed 2021, #5 All Breed 2022, #12 Breed 2022, #5 All Breed 2023, and #5 Breed 2023. In addition, Emma is a Multiple Regional Specialty Winner, 2023 Westminster Kennel Club Best of Opposite Sex Winner, Reserve Best In Show Winner and top female All Breed for 2021, 2022, and 2023. We couldn't be prouder of Emma and her accomplishments and thank her handlers/friends, Mauricio & Cassandra Vargas.

GCHB Rivergroves Miss Congeniality (Ali)

Ali was named appropriately since she always wants to be everyone's friend and has no problem socializing as long as she is the center of attention. Ali loves to show and has done well in the ring. Ali's wins include Select Bitch for the 2020 National, Best of Opposite Sex for the 2021 National, Best of Opposite Sex Westminster Kennel Club 2021, #15 Breed 2022, #11 All Breed 2022, Award of Merit Westminster Kennel Club 2022, #14 Breed 2023, #9 All Breed 2023, and #2 Female All Breed 2023. Ali is a Group Winner and has Multiple Group Placements in her accomplishments and thanks her handlers/friends Mauricio and Cassandra Vargas for guiding her to these wins.
