Specialty Chair Welcome Jeanine Wilson

Welcome everyone to the 51st annual Irish Setter Club of America National Specialty! So happy to be back at our “Family Reunion”, taking place in Asheville, NC again.

I want to give special “thanks” to the hard-working committee members (listed elsewhere in this catalog). This was a small but mighty group; who have worked extremely hard to pull this event together. It would not happen without all these dedicated people!

We have visitors, exhibitors, and ISCA Board members from all regions around the country which makes this a truly National affair. It gives everyone in attendance the opportunity to meet people from other regions that you haven’t met, and to see dogs you haven’t seen before.

Make it a point to make a new friend in 2024!!

Have fun! Visit old friends, make lots of new friends and just have a great time! Where else can you spend a week with a group of people as crazy as you are about our Red Heads?!!!

Best of luck to everyone!

Brian Ferrand Agility

I'm really looking forward to this years Irish Setter Club of America's National Specialty.

I started agility in 1997 with a Chow-mix. Once hooked on agility I never looked back. I got my first border collie Divot in 2003, and another, Icarus in 2008. Icarus was UKI National Champion at 22" in 2027. I played a bit of agility with Might Mighty Tiger Lilly, my Plott Hound-Whippet (?) mix. She carries the title of Brindle Princess. Marvel the Kelpie came along in 2019 and we are improving month by month. And last month, Red Molly, another border collie, came from Wales and is busily chewing up my sneakers while I write this.

I started judging agility in 2014. Before the agility bug got me, I was a mechanical engineer, and still do a few projects a year in the Asheville NC Area. Mostly I teach and train agility, and judge. I have also been providing equipment to National Specialties for quite a while, and this is the second time I have judged one.

Good luck to all of you. I hope the event is thoroughly enjoyable.

Ted G. McCall

Obedience

I first became involved with dog training nearly 40 years ago when I adopted a young German Shepherd and took her to a local obedience class in our community. "Heidi" was a joy to train, and with encouragement from the instructor, we ventured into the show ring; I was hooked! Eventually, I fell in love with and acquired my first Golden Retriever. Since that time, I have had the pleasure of competing in Obedience with several wonderful Goldens.

After showing for many years, I became interested in judging, and have been an AKC Obedience and Rally judge for nearly 20 years. I truly have fun with judging and enjoy watching the different handlers and their dogs perform together as a team. Being involved in the sport of dogs has been one of the most rewarding things I have done.

I am a member of the Sandlapper GRC and the GRC of America. I have also been active in GR rescue. I have taught puppy and beginner classes at Companion Dog Training School in Asheville. Dog showing and judging has given me many wonderful opportunities to make new friends and to grow as a person in ways I would not otherwise have had.

Jeannie Strong Rally

I have been training and showing dogs since the early 1970's. While I have never shown an Irish Setter, as a child the first dog that was my dog, was Shannon, a wonderful Irish Setter who stole my heart. Once on my own, I began training and showing Cardigan Welsh Corgis, now "my breed", in conformation, agility, obedience, rally, and scent work. I also have enjoyed visiting retirement and nursing homes with my dogs through the Therapy Dog program.

My current Cardigan has earned his breed Championship, his RACH, and titles in agility, scent work, obedience, farm dog, and trick dog. My previous Cardigan earned her UD, and my current dog and I are striving to attain that goal as well.

I began judging Rally in 2014 and I love it! I am looking forward to judging your Specialty where I hope each team will perform well, but, most importantly, I hope each team will have fun and further enhance their dog/handler bond!

Cynthia Stanford Puppy Sweepstakes

As expected, I'm thrilled to be asked to judge Sweepstakes again! It's quite the honor and I'm so excited to get my hands on all those young dogs. The National show is my favorite. So many dogs to see and learn who is breeding what and where! I learn so much from this show.

I began in Irish in 1976. I had been involved with Obedience and Protection training with a German Shepherd. I was offered a show Irish from a litter bred by Thenderin Kennels and Lisa Schrank. I never looked back.

While I loved many things about the Thenderin dogs, I was taken by the dogs Rapture Irish Setters were producing. I purchased my Foundation bitch from Paulette Kovac and Susie Trotter. CH. Rapture's Some Like It Hot, CDX. Rendition and Indeed primarily in her pedigree. Not only did I get a beautiful bitch, it started a life long friendship. I also purchased a male from Donna Long with Chandar Irish Setters. We agreed on the dogs we admired and decided we loved a young dog we saw at the Seattle National. He was in the 6-9 class....we made a pack, whoever bred to him first would send a puppy to the other. That was CH. Cuhullain Good Fortune, ROM. Donna bred to him first and got 3 males. I had wanted a bitch! But she sent me Buster and charged me, what I thought at that time, was a fortune! Thus, I named him Ch. Chandar's Deeper in Debt. (See, my name game started very early on)

I am self-mentored! I dove into pedigrees and the science behind the dogs I loved. I've bred some beautiful dogs that finished Championships, but rarely "specaled" any of them. I'm always a sucker for the boys, but it's my bitches that have excelled. I've line bred on Ch. Cucuhullain Good Fortune, ROM and his son, CH. Chandar's Deeper in Debt. Some of my favorites, Ch. Roclyn Surely You Jest. Ch. Roclyn Fifth Avenue, ROM. CH. Rollickin' Roclyn Dream Girl, ROM. I've outcrossed to CH. Northwind's First Reign and his son, CH. Northwind's Day Dreamer with beautiful success. I imported a beautiful Australian bitch, CH. Rhiannon Famous Footsteps and her get is now about ready to Special. Ch. Roclyn Hell or High Water is waiting in the wings.

Now, can't wait to get my greedy hands on all those youngsters!! Thank you! I'm humbled!

Christine Boutwell Perry Mature & Veteran Sweepstakes

I would like to thank the Irish Setter Club of America membership for selecting me as your Veteran & Mature Sweepstakes judge for the 2024 National Specialty. It is such an honor and I look forward to seeing all of lovely Veterans and mature puppies in the ring!

My love for Irish setters began as a child exposed to my mother's pictures and memorabilia of the most beautiful of all dogs. My grandfather hunted with Irish. After

pleading for many years with my father we obtained our first Irish setter after "going only to look at the puppies!" I showed Tara in 1979 at some local shows but without knowledge of junior handling or mentors at that time that did not last. Never without an Irish from that point forward, I began showing in earnest in 2000 as a requirement of a dog contract. I have subsequently finished multiple champions, grand champions, rally novice and one companion dog title. I won several best in show specialties and multiple group placements with my special veteran, learning along the way from many important fanciers and mentors. I am grateful for all of the friendships developed on our journey. I am now proud to be a part of Crimsonacre Irish Setters. I have bred my first litter and learned the challenges of being a breeder - complications with puppies, difficult decisions, and placing them in wonderful homes with many tears along the way.

I have been a member of the Irish Setter Club of Greater Kansas City and the ISCA since 1995 and have been privileged to serve on your board since 2012.

Thank you again for this unforgettable honor!

Wayne Cavanaugh

Bitch Classes

Wayne Cavanaugh is a third-generation dog fancier. He has bred and exhibited top-winning and top-producing pointers, English Setters, and Beagles. Among the other breeds he's owned are Irish Wolfhounds, Clumber Spaniels, English Coonhounds, and Border Terriers. Wayne was first approved as an AKC Judge in 1990. He's judged sporting and hound breeds in the USA, Canada, Ireland, Japan, and Mexico.

His father bred and showed English Setters which Wayne also showed in Juniors. When he went to work for Bob and Jane Forsyth, he became immersed in all the setter breeds and had the good fortune to work with some of the most notable Irish Setters in the sport's history.

Wayne has judged Irish Setter Specialties in Ireland, including the St. Patrick's Day show in Dublin, and a previous AKC and Canadian National.

He served as a Vice President of the American Kennel Club, President of the United Kennel Club, Charter Board Member of the AKC Canine Health Foundation, and presenter at the World Congress of Kennel Clubs in Ireland and Bermuda. He's appeared on behalf of purebred dogs on all major networks and served as a dog show commentator for Animal Planet, ESPN, and NBC in the USA. He wrote the Breed All About It series for Discovery including the Irish Setter episode which was filmed in Ireland and the USA. In the UK, he served as a commentator at Crufts for the BBC for 10 years. He's written extensively for dog publications and won his first Winkie for Outstanding Journalist in 1992. He currently writes a monthly column for The Canine Chronicle and does a weekly podcast "The Dog Show Drive" with fellow Irish Setter enthusiast, Will Alexander.

Wayne and his wife Cheryl live in Michigan with their Beagle and a new English Toy Spaniel puppy.

Michael Faulkner Dog & Intersex Classes

The sport of Purebred Dogs has been an integral part of Michael Faulkner's life. As a youngster Michael was active in Junior Showmanship and quickly established a love for the Golden Retriever, Pointer and Field Spaniel breeds.

During the late 1970's / early 1980's Faulkner pursued his education earning his BFA, MS.ED, from Alfred University, Alfred, New York and a Post Graduate Certification from George Washington University, while maintaining his breeding program and actively showing his Golden Retrievers, Field Spaniels, Springer Spaniels and Pointers.

Michael has owned, bred and exhibited numerous multiple Best in Show winning Golden Retrievers along with owning and breeding champions in the following breeds: Field Spaniel, Pointer, English Springer Spaniel, Black & Tan Coonhound and Pug. He owes his passion and knowledge for the sport to his "English Mum" the late Mrs. Peggy Grayson (judge/breeder/author) who unselfishly took him under her wing as a youngster, providing decades of mentoring.

Faulkner retired as a professional handler in 1995 and immediately embarked on a judging career. Michael is approved to judge all Sporting / Herding / Hound breeds and numerous Toy & Working breeds. He is proud of his numerous national specialty assignment, international judging experiences, and multiple numerous invitations to judge at the prestigious Westminster Kennel Club.

Michael continues his Golden Retriever breeding program with his partner: Dr. Ann Greenbank, under the "Verdoro and Woodspoint" prefixes and spends countless hours mentoring new judges on several of the Gundog breeds.

Michael is an active member of the Middle Peninsula Kennel Club of Virginia, Golden Retriever Club of America, Morris & Essex Kennel Club, Westchester Kennel Club, Lower James River Golden Retriever Club. When Michael is not judging dog shows he keeps busy with his artwork, kayaking, gardening, writing and serves as the Executive Director for a Health Clinic.

Official Standard for the Irish Setter

General Appearance: The Irish Setter is an active, aristocratic bird dog, rich red in color, substantial yet elegant in build. Standing over two feet tall at the shoulder, the dog has a straight, fine, glossy coat, longer on ears, chest, tail and back of legs. Afield, the Irish Setter is a swift-moving hunter; at home, a sweet natured, trainable companion.

At their best, the lines of the Irish Setter so satisfy in overall balance that artists have termed it the most beautiful of all dogs. The correct specimen always exhibits balance, whether standing or in motion. Each part of the dog flows and fits smoothly into its neighboring parts without calling attention to itself.

Size, Proportion, Substance: There is no disqualification as to size. The make and fit of all parts and their overall balance in the animal are rated more important. 27 inches at the withers and a show weight of about 70 pounds is considered ideal for the dog; the bitch 25 inches, 60 pounds. Variance beyond an inch up or down is to be discouraged. **Proportion** - Measuring from the breastbone to rear of thigh and from the top of the withers to the ground, the Irish Setter is slightly longer than it is tall. **Substance** - All legs sturdy with plenty of bone. Structure in the male reflects masculinity without coarseness. Bitches appear feminine without being slight of bone.

Head: Long and lean, its length at least double the width between the ears. Beauty of head is emphasized by delicate chiseling along the muzzle, around and below the eyes, and along the cheeks. **Expression** soft, yet alert. **Eyes** somewhat almond shaped, of medium size, placed rather well apart, neither deep set nor bulging. Color, dark to medium brown. **Ears** set well back and low, not above level of eye. Leather thin, hanging in a neat fold close to the head, and nearly long enough to reach the nose. The **skull** is oval when viewed from above or front; very slightly domed when viewed in profile. The brow is raised, showing a distinct stop midway between the tip of the nose and the well-defined occiput (rear point of skull). Thus the nearly level line from occiput to brow is set a little above, and parallel to, the straight and equal line from eye to nose. **Muzzle** moderately deep, jaws of nearly equal length, the underline of the jaws being almost parallel with the top line of the muzzle. Nose black or chocolate; nostrils wide. Upper lips fairly square but not pendulous. The teeth meet in a scissors **bite** in which the upper incisors fit closely over the lower, or they may meet evenly.

Neck, Topline, Body: **Neck** moderately long, strong but not thick, and slightly arched; free from throatiness and fitting smoothly into the shoulders. **Topline** of body from withers to tail should be firm and incline slightly downward without sharp drop at the croup. The **tail** is set on nearly level with the croup as a natural extension of the topline, strong at root, tapering to a fine point, nearly long enough to reach the hock. Carriage straight or curving slightly upward, nearly level with the back. Body sufficiently long to permit a straight and free stride. Chest deep, reaching approximately to the elbows with moderate forechest, extending beyond the point where the shoulder joins the upper arm. Chest is of moderate width so that it does not interfere with forward motion and extends rearwards to well sprung ribs. Loins firm, muscular and of moderate length.

Forequarters: Shoulder blades long, wide, sloping well back, fairly close together at the withers. Upper arm and shoulder blades are approximately the same length, and are joined at sufficient angle to bring the elbows rearward along the brisket in line with the top of the withers. The elbows moving freely, incline neither in nor out. Forelegs straight and sinewy. Strong, nearly straight pastern. Feet rather small, very firm, toes arched and close.

Hindquarters: Hindquarters should be wide and powerful with broad, well developed thighs. Hind legs long and muscular from hip to hock; short and perpendicular from hock to ground; well angulated at stifle and hock joints, which, like the elbows, incline neither in nor out. Feet as in front. Angulation of the forequarters and hindquarters should be balanced.

Coat: Short and fine on head and forelegs. On all other parts of moderate length and flat. Feathering long and silky on ears; on back of forelegs and thighs long and fine, with a pleasing fringe of hair on belly and brisket extending onto the chest. Fringe on tail moderately long and tapering. All coat and feathering as straight and free as possible from curl or wave. The Irish Setter is trimmed for the show ring to emphasize the lean head and clean neck. The top third of the ears and the throat nearly to the breastbone are trimmed. Excess feathering is removed to show the natural outline of the foot. All trimming is done to preserve the natural appearance of the dog.

Color: Mahogany or rich chestnut red with no black. A small amount of white on chest, throat and toes, or a narrow centered streak on skull is not to be penalized.

Gait: At the trot the gait is big, very lively, graceful and efficient. At an extended trot the head reaches slightly forward, keeping the dog in balance. The forelegs reach well ahead as if to pull in the ground without giving the appearance of a hackney gait. The hindquarters drive smoothly and with great power. Seen from front or rear, the forelegs, as well as the hind legs below the hock joint, move perpendicularly to the ground, with some tendency towards a single track as speed increases. Structural characteristics which interfere with a straight, true stride are to be penalized.

Temperament: The Irish Setter has a rollicking personality. Shyness, hostility or timidity are uncharacteristic of the breed. An outgoing, stable temperament is the essence of the Irish Setter.
