**In Memory of**

**Helen Howard**

**The 2026 FSSA National Specialty is being held in Memory of long-time member Helen Howard.**

**Helen was a successful breeder of Field Spaniels & Irish Water Spaniels under the Overlook Kennel Name.**

## In Memory of

## Sharon Sharp

**The 2026 FSSA National Specialty is being held in Memory of long-time member Sharon Sharp.**

**It is with great sorrow that we share the news of club member Sharon Sharp unexpectedly passing away at home on Sunday August 9th. Sharon had been in the hospital and then in inpatient rehab for an extended time, but had recently returned home and was hopeful of having her two beloved Field Spaniels (Karma and Harper) return from boarding to be by her side.**

**Sharon was active in dog sports for many years, originally with Irish Setters, and then with Field Spaniels over the past 13 years. She was an active member of Queen City Dog Training Club. She was a gentle woman with a wonderful laugh, who dearly loved her dogs, contributed to the breed and to the world of dog sports. She will be dearly missed. Karma and Harper will be coming to live with Joanne and Mike Roehrs**

AMERICAN KENNEL CLUB

Official Standard of the Field Spaniel

**General Appearance**: The Field Spaniel is a combination of beauty and utility. It is a well balanced, substantial hunter-companion of medium size, built for activity and endurance in a heavy cover and water. It has a noble carriage; a proud but docile attitude; is sound and free moving. Symmetry, gait, attitude and purpose are more important than any one part.

**Size, Proportion, Substance**: Balance between these three components is essential. *Size*-Ideal height for mature adults at the withers is 18 inches for dogs and 17 inches for bitches. A one inch deviation either way is acceptable. *Proportion*-A well balanced dog, somewhat longer than tall. The ratio of length to height is approximately 7:6. (Length is measured on a level from the foremost point of the shoulder to the rearmost point of the buttocks.) *Substance*-Solidly built, with moderate bone, and firm smooth muscles.

**Head**: Conveys the impression of high breeding, character and nobility, and must be in proportion to the size of the dog. *Expression*-Grave, gentle and intelligent. *Eyes*-Almond in shape, open and of medium size; set moderately wide and deep. Color: dark hazel to dark brown. The lids are tight and show no haw; rims comparable to nose in color. *Ears*-Moderately long (reaching the end of the muzzle) and wide. Set on slightly below eye level: pendulous, hanging close to the head; rolled and well feathered. Leather is moderately heavy, supple, and rounded at the tip. *Skull*-The crown is slightly wider at the back than at the brow and lightly arched laterally; sides and cheeks are straight and clean. The occiput is distinct and rounded. Brows are slightly raised. The stop is moderate, but well defined by the brows. The face is chiseled beneath the eyes. *Muzzle*-Strong, long and lean, neither snipy nor squarely cut. The nasal bone is straight and slightly divergent from parallel, sloping downward toward the nose from the plane of the top skull. In profile, the lower plane curves gradually from the nose to the throat. Jaws are level. Nose-Large, flesh and well developed with open nostrils. Set on as an extension of the muzzle. Color: solid: light to dark brown or black as befits the color of the coat. Lips-Close fitting, clean, and sufficiently deep to cover the lower jaw without being pendulous. *Bite*-Scissors or level, with complete dentition. Scissors preferred.

**Neck, Topline, Body**: *Neck*-Long, strong, muscular, slightly arched, clean, and well set into shoulders. *Topline*-The neck slopes smoothly into the withers; the back is level, well muscled, firm and strong; the croup is short and gently rounded. *Body*-The prosternum is prominent and well fleshed. The depth of chest is roughly equal to the length of the front leg from elbow to ground. The rib cage is long and extending into a short loin. Ribs are oval, well sprung and curve gently into a firm loin. Loin-Short, strong, and deep, with little or no tuck up. *Tail*-Set on low, in line with the croup, just below the level of the back with a natural downward inclination. Docked tails preferred, natural tails are allowed. The tail whether docked or natural length should be in balance with the overall dog.

**Forequarters**: Shoulders blades are oblique and sloping. The upper arm is closed-set; elbows are directly below the withers, and turn neither in nor out. Bone is flat. Forelegs are straight and well boned to the feet. Pasterns are moderately sloping but strong. Dewclaws may be removed. Feet face forward and are large, rounded, and webbed, with strong, well arched relatively tight toes and thick pads.

**Hindquarters**: Strong and driving; stifles and hocks only moderately bent. Hocks well let down; pasterns relatively short, strong and parallel when viewed from the rear. Hips moderately broad and muscular; upper thigh broad and powerful; second thigh well muscled. Bone corresponds to that of the forelegs. No dewclaws.

**Coat**: Single; moderately long; flat or slightly wavy; silky; and glossy; dense and water repellent. Moderate setter-like feathering adorns the chest, underbody, backs of the legs, buttocks, and may also be present on the second thigh and underside of the tail. Pasterns have clean outlines to the ground. There is short, soft hair between the toes. Overabundance of coat, or cottony texture, impractical for field work should be penalized. Trimming is limited to that which enhances the natural appearance of the dog. Amount of coat or absence of coat should not be faulted as much as structural faults.

**Color**: Black, liver, golden liver or shades thereof, in any intensity (dark or light); either self-colored or bi-colored. Bi-colored dogs must be roaned and/or ticked in white areas. Tan points are acceptable on the aforementioned colors and are the same as any normally tan pointed breed. White is allowed on the throat, chest, and/or brisket, and may be clear, ticked, or roaned on a self-color dog. The sable pattern, a lighter undercoat with darker shading as tipping or dark overlay, with or without a mask present, is a disqualification. Disqualifications: The sable pattern, a lighter undercoat with darker shading as tipping or dark overlay, with or without a mask present.

**Gait**: The head is carried alertly, neither so high nor so low as to impede motion or stride. There is good forward reach that begins in the shoulder, coupled with strong drive from the rear, giving the characteristic effortless, long, low majestic stride. When viewed from front and/or rear elbows and hocks move parallel. The legs move straight, with slight convergence at increased speed. When moving, the tail is carried inclined slightly downward or level with the back, and with a wagging motion. Tail carried above the back is incorrect. Side movement is straight and clean, without energy wasting motions. Overreaching and single tracking are incorrect. The Field Spaniel should be shown at its own natural speed in an endurance trot, preferably on a loose lead, in order to evaluate its movement.

**Temperament**: Unusually docile, sensitive, fun-loving, independent and intelligent, with a great affinity for human companionship. They may be somewhat reserved in initial meetings. Any display of shyness, fear, or aggression is to be severely penalized.

**Disqualifications**: *The sable pattern, a lighter undercoat with darker shading as tipping or dark overlay, with or without a mask present.*

***Approved April 6, 2020***
***Effective June 30, 2020***

## SCHEDULE OF POINTS FOR DIVISION 2— EFFECTIVE MAY 12, 2026

**Division 2 is comprised of: Delaware, New Jersey, New York, Pennsylvania.**

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of ***both*** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of ***its own sex*** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

# IN MEMORIAM

# WICKSFORD

# DOROTHY “JUNE” O’NEIL

## A Brief History of Wicksford Field Spaniels

Wicksford Kennels was established in 1970 by June and George O'Neil. It was located in the lovely village of Wickford, RI. The O'Neil's are founding members of the Field Spaniel Society of America and have bred over 100 AKC Champions as well as many Performance and Field competitors.

The O'Neil's originally bred St Bernards. However, their son, Patrick, decided that he wanted a Field Spaniel and Wimsy Field Marshall came to reside at Wicksford.
June bought her first bitch, Ch Gunhill's Mowbra of Wicksford, from Carl Tuttle in 1978.
In 1983 June was fortunate to be able to import BISS Am/ Can Ch Lydemoor Leslie HOF from the Nichols of England. Leslie went on to have a very successful show career, winning Best of Breed at Westminster 5 times and the FSSA National Specialty.

Clumber Spaniels soon followed the Field Spaniels to Wicksford. The O'Neil's imported Ch Raycroft Sheriff from England. Sheriff also had a very successful show career, becoming the first Clumber Spaniel to win Best in Show at the American Spaniel Club Flushing Spaniel Show.

CH Wicksford's Nicholas was the first recorded American Bred OFA Excellent.

In 1987 Ch Wicksford's A Touch of Magic and his sister Ch Wicksford's Lillibet became the first Field Spaniels to win an All Breed Best Brace in Show. They also went on to win Best Brace in Show at the American Spaniel Club and were 3 time winners of Best Brace at the Field Spaniel National Specialty (the last time at the age of 12).

In 1989 Ch Wicksford's A Touch of Magic, became the first Black Field Spaniel to finish the year Number One in Breed Points.

In 2007 Am/Can Ch Wicksfords Lord Burke Kenmare became the first Liver and Tan Field Spaniel to ever win a Sporting Group.

AKC BISS GCHS U- DGCH Killara A Dark & Stormy Nite At Seabreez N Wcksfrd ATT U- DASH U-RACEN ROM-S is the first UKC Diamond Grand Champion and the Top winning UKC Field Spaniel with over 50 Best in Shows.

June was also so proud of the Field Spaniel that she placed with a member of the New Jersey Department of Environmental Management. She was trained to find weapons and ammunition and quite often showed up the German Shepherds.

The Wicksford dogs can be found in the pedigrees of many of today's Field Spaniels. June was so proud of the accomplishments of her dogs not only in the show ring but in all areas of performance. She strove to produce a healthy Field Spaniel that would not only be competitive in the show ring but be a wonderful long-lived companion.

I know that George and Leslie were "impatiently" waiting ringside for June to show up.
Until we meet again – save me a ringside seat.

*Hand-crafted products for pets and their people*

**We sew a variety of products for show dogs, family pets and their people. Click on Samples to see examples of some of our products. At the show, our customized or "off the rack" products can help your dog look great. Some of our products can make your dog's life better. And if you are just at our site because you love dogs, like we do, we have products for you too!**

**Find us on FaceBook at Oh Sew K9 LLC and Sue's Snoods where you can see lots more photos. Use FaceBook Messenger or email (OhSewK9LLC@gmail.com) to contact us with question and to place orders.**

**The FSSA would like to thank Sue Meachem for all of the trophies she provided for our National Specialty**
