SCHEDULE OF POINTS FOR DIVISION 5— EFFECTIVE MAY 12, 2026

Division 5 is comprised of: Indiana, Kentucky, Michigan, Ohio.

The Points towards a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of ***both*** sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of ***its own sex*** that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

AMERICAN KENNEL CLUB

Official Standard of the American Staffordshire Terrier

General Impression: The American Staffordshire Terrier should give the impression of great strength for his size, a well put-together dog, muscular, but agile and graceful, keenly alive to his surroundings. He should be stocky, not long-legged or racy in outline. His courage is proverbial.
Head: Medium length, deep through, broad skull, very pronounced cheek muscles, distinct stop; and ears are set high. ***Ears*** - Cropped or uncropped, the latter preferred. Uncropped ears should be short and held rose or half prick. Full drop to be penalized. ***Eyes*** - Dark and round, low down in skull and set far apart. No pink eyelids. ***Muzzle-*** Medium length, rounded on upper side to fall away abruptly below eyes. Jaws well defined. Underjaw to be strong and have biting power. Lips close and even, no looseness. Upper teeth to meet tightly outside lower teeth in front. Nose definitely black.
Neck: Heavy, slightly arched, tapering from shoulders to back of skull. No looseness of skin. Medium length.
Shoulders: Strong and muscular with blades wide and sloping.
Back: Fairly short. Slight sloping from withers to rump with gentle short slope at rump to base of tail. Loins slightly tucked.
Body: Well-sprung ribs, deep in rear. All ribs close together. Forelegs set rather wide apart to permit chest development. Chest deep and broad.
Tail: Short in comparison to size, low set, tapering to a fine point; not curled or held over back. Not docked.
Legs: The front legs should be straight, large or round bones, pastern upright. No semblance of bend in front. Hindquarters well-muscled, let down at hocks, turning neither in nor out. Feet of moderate size, well-arched and compact. Gait must be springy but without roll or pace.
Coat: Short, close, stiff to the touch, and glossy.
Color: Any color, solid, parti, or patched is permissible, but all white, more than 80 per cent white, black and tan, and liver not to be encouraged.
Size: Height and weight should be in proportion. A height of about 18 to 19 inches at shoulders for the male and 17 to 18 inches for the female is to be considered preferable.
Faults: Faults to be penalized are: Dudley nose, light or pink eyes, tail too long or badly carried, undershot or overshot mouths.
