THE RHODESIAN RIDGEBACK CLUB OF THE UNITED STATES
Official Rhodesian Ridgeback Breed Standard Hound Group

General Appearance: The Ridgeback represents a strong, muscular and active hound, symmetrical and balanced in outline. A mature Ridgeback is a handsome, upstanding and athletic dog, capable of great endurance with a fair (good) amount of speed. Of even, dignified temperament, the Ridgeback is devoted and affectionate to his master, reserved with strangers. The peculiarity of this breed is the ridge on the back. The ridge must be regarded as the characteristic feature of the breed.

Size, Proportion, Substance: A mature Ridgeback should be symmetrical in outline, slightly longer than tall but well balanced. Dogs - 25 to 27 inches in height: Bitches - 24 to 26 inches in height. Desirable weight - Dogs - 85 pounds; Bitches - 70 pounds.

Head: Should be of fair length, the skull flat and rather broad between the ears and should be free from wrinkles when in repose. The stop should be reasonably well defined. Eyes - Should be moderately well apart and should be round, bright and sparking with intelligent expression, their color harmonizing with the pigmentation color of the dog. Ears - Should be set rather high, of medium size, rather wide at the base and tapering to a rounded point. They should be carried close to the head. Muzzle - Should be long, deep and powerful. The lips clean, closely fitting the jaws. Clear faced or masked dogs are equally correct and neither is preferred. A clear face with black or brown/liver pigmentation only on nose, lips and around the eyes, or a masked face with black or brown/liver pigmentation is correct as long as the color is not continuing with a solid mask over the eyes. A darker ear often accompanies the darker masked dog. Nose - Should be black, or brown, also known as liver, in keeping with the color of the dog. No other colored nose is permissible. A black nose should be accompanied by dark eyes, a brown or liver nose with amber eyes. Bite - Jaws level and strong with well-developed teeth, especially the canines or holders. Scissors bite preferred.

Neck, Topline, Body: The neck should be fairly long. It should be strong, free from throatiness and in balance with the dog. The chest should not be too wide, but very deep and capacious, ribs moderately well sprung, never rounded like barrel hoops (which would indicate want of speed). The back is powerful and firm with strong loins which are muscular and slightly arched. The tail should be strong at the insertion and generally tapering towards the end, free from coarseness. It should not be inserted too high or too low and should be carried with a slight curve upwards, never curled or gay.

Forequarters: The shoulders should be sloping, clean and muscular, denoting speed. Elbows close to the body. The forelegs should be perfectly straight, strong and heavy in bone. The feet should be compact with well-arched toes, round, tough, elastic pads, protected by hair between the toes and pads. Dewclaws may be removed.

Hindquarters: In the hind legs the muscles should be clean, well defined and hocks well down. Feet as in front.

Coat: Should be short and dense, sleek and glossy in appearance but never woolly nor silky.

Color: Light wheaten to red wheaten. A little white on the chest and toes permissible but excessive white there, on the belly or above the toes is undesirable (See muzzle).

Ridge: The hallmark of this breed is the ridge on the back which is formed by the hair growing in the opposite direction to the rest of the coat. The ridge must be regarded as the characteristic feature of the breed. The ridge should be clearly defined, tapering and symmetrical. It should start immediately behind the shoulders and continue to a point between the prominence of the hips and should contain two identical crowns (whorls) directly opposite each other. The lower edge of the crowns (whorls) should not extend further down the ridge than one third of the ridge.

Gait: At the trot, the back is held level and the stride is efficient, long, free and unrestricted. Reach and drive expressing a perfect balance between power and elegance. At the chase, the Ridgeback demonstrates great coursing ability and endurance.

Temperament: Dignified and even tempered. Reserved with strangers.

Scale of Points:

2026 AWARD ROSETTES

All trophies are offered by the Rhodesian Ridgeback Club of the United States, many through the generosity of its members. RRCUS reserves the right to substitute any prize that may become unavailable with a prize of equal or greater value. All trophies must be claimed the day of the show -- none will be mailed.

* JUDGES AWARD OF MERIT

Often at the National Specialty the number of quality dogs in competition far exceeds the number of top awards available. The judge is permitted to choose one Best of Breed, one Best of Opposite Sex, also one Select Dog and one Select Bitch. The awarding of an Award of Merit acknowledges that an animal was under consideration for the highest honors of BOB and BOS. By awarding additional Judge's Awards of Merit, the judge is indicating recognition of animals who would, on another day, merit a top award. RRCUS permits, at the judge's discretion, up to a total of ten (10) Awards.

Crufts Qualifying Certificate

The Kennel Club, England, has designated the AKC National Championship, sponsored by AKC and Royal Canin, as well as one designated AKC Parent Club National Specialty in each eligible breed, as the United States qualifying shows for Crufts. Recipients of Best of Breed, Best of Opposite Sex, Selects and Awards of Merit, are eligible for entry in Crufts as a U.S. International qualifier. Recipients of 2026 RRCUS National Specialty awards of BOB, BOS, Awards of Merit, and Selects, will be given an eligibility certificate to enter Crufts.

Best Bred-by-Exhibitor at the National Specialty

The AKC will provide one free litter registration to the winner of this competition

CHALLENGE TROPHIES

All Challenge Trophies are offered through the Rhodesian Ridgeback Club of the United States, Inc. for competition at its National Specialty Shows only. For permanent possession, the trophy must be won three times by the same owner, not necessarily with the same dog, nor at consecutive shows. The name of the winning dog and date will be engraved on the trophy.

TROPHY SPONSORS

National Specialty Trophies are funded only by member, friend and family, exhibitor, and spectator sponsorships. Each year we look to the winners of the prior year's award to sponsor that trophy for the current year. Additionally, we seek the help of others to cover our trophy costs. We are grateful for all of the contributors who assist us in this break-even effort.

Thank you all for your generosity.

GENERAL TROPHY FUND

Thank you: Kathryn Newell, Cassie Torhorst, Elizabeth Brown, Caroline Fagan, Brandon Dillon

Your combined donations of $500 have helped us fund the full amount of our trophy obligation and is noted below as "General Fund."

INDIVIDUALLY SPONSORED TROPHIES

Best in Veteran Sweepstakes.....

Best Veteran of Opposite Sex in Sweepstakes.....

CONFORMATION

Wednesday, October 14, 2026 Event Number: 2026194515 Licensed by the American Kennel Club
Open to Rhodesian Ridgebacks Only

Judge: Mrs. Denise Flaim

Show Secretary: Mrs. Diana Komanek

NOTES

4-6 MOS BEGINNER PUPPY

This class will be offered for Rhodesian Ridgebacks that are four months of age and over but under six months of age on the first day of the National Specialty regular classes (Wednesday, October 14, 2026). Indicate 4-6 mos. class on the official AKC entry form; an AKC registration or an AKC litter number is required at the time of entry. Foreign born dogs may be entered in this class if they are registered in the country of origin. All entrants are to be vaccinated (including rabies) in accordance with their veterinarian's protocol. This class is not divided by sex. There is no further competition for winner of this event. Professional handlers, members of their household, and current assistants to professional handlers may not personally exhibit dogs in the Four-to-Six
Month (Beginner Puppy) Competition. Dogs that are owned or co-owned by the forenamed may compete in this competition but must be handled by a non-professional handler. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay. Dogs may not be exhibited by current assistants and household members of a professional handler.
